Joel Edge (319) 540-1731

Special Guest:

Dean Summerbell, Heartland Limousin Assoc.

Welcome Cattlemen:

Welcome to our 2009 production sale. Although our numbers are small, our quality is deep. Whether it be our herd bulls or our AI sires we select for the traits most important to the cow man. We breed cattle with a balance of all traits – with an emphasis on moderate birth weight & a good disposition.

Again, this year we would like to give a special thanks to Joel Edge for his great help & guidance getting ready for the sale. If you have any questions give Joel or myself a call – we will be glad to help anyway possible.

We look forward to seeing you on sale day, come early & view the cattle & have lunch.

Sincerely,

Gordy Ludens

Upper Deck's dam is a 14-year-old proven producing cow that never misses. She produced the high-selling bred heifer from our 2008 sale that sold to Roll Limousin. Upper Deck has all the pieces to make a great breeding bull. His balanced EPDs, good performance, sound structure, with a very quiet temperament – all in a homozygous polled package. We are retaining 1/3 semen interest.

Mike and Gordy Ludens of Viborg, SD and Ross Potter of Redwood Falls enjoy the great weather in Denver, CO at the National Western.

OPEN & BRED HEIFERS**About the heifers ...**

We will be offering some of our top females, both open & bred. We have chosen open heifers with that extra eye-appeal to make some good junior prospects. The open heifers are halter broke & ready to go. All of the heifers in the sale are double polled.

It is a great opportunity to buy heifers bred to the popular heifer bull, Wulfs Ransom.

The bred heifer will be guaranteed bred to Ransom.
