WELCOME

DEAR LIMOUSIN BREEDERS

It is time for the 2nd Blue Ribbon Sale and we are here to provide you with an opportunity to purchase quality cattle - with the key word being "quality"! The consignments you will see on May 3rd at Seminole, Oklahoma have three major features.

- Outstanding pedigrees
- Great EPD numbers
- Excellent Eye Appeal

No other breed in our nation has the muscling, size and growth as the Limousin breed. Limousin cattle provide superior carcass with regards to both marbling and rib-eye. We are headed down the right trail as long as we continue to produce quality cattle.

The gates will be opened for you, on the 3rd of May as you stroll through the pens selecting the entries you want to take home. A free Bar_B_Q lunch will be served at noon for our guests. We look forward visiting with our friends before the sale, and hopefully will make many new friends at the same time. Call any of us if you have questions about the cattle.

Best Regards,
Kenneth Glazier, Rod Carver, Bob Stone & Karen Ahlden
Blue Ribbon Sale Committee

Rita is a heavy milking Polled Yukon daughter with a heifer calf at side by Cole Remington. The maternal side of Rita's pedigree includes many great ones from Canada. This good uddered young cow will impress the most discriminating breeder. Her heifer calf will show and is very correct. Rita sells bred to SVL Polled Enterprise 247 the Guthrie that is siring some outstanding progeny in Australia and the United States.

A polled Guthrie daughter from a daughter of Texas Ranger Ted. This long bodied and clean fronted young cow has a beautiful udder and has done a good job with her first calf. This family produced the SVL Polled marked cow that is a donor in the Lenape herd in Pennsylvania. Her bull calf is sired by CFSV Polled Excel 315S and is deep ribbed and very clean fronted. The tru-Polled test results will be available by the sale date. She sells bred back to CFSV Polled Excel 1315S.

Selling 1/2 interest and no possession with the option to double the bid for full possession and full interest.

Nadine is a homozygous polled heifer from an awesome Guthrie daughter from the Nadine family. The Nadine family has produced many good ones including CFSV Polled Majesty 312S, the sire of the Grand Champion Fullblood Bull and Reserve Grand Champion Female for Windy Gables at the 2008 Canadian National Show. The Nadine family also produced two high-selling animals in the 2008 Blue Ribbon Sale! This fancy life-appelling heifer offers many possibilities as a valuable breeding piece with the combination of blood from Amber Krug.

CF Dandy is a homozygous, polled brother to our sale topper in last year's Blue Ribbon Sale going to Prebel Farms in Norman, OK. He writes a tremendous set of balanced EPDs and a 72 birth weight. His young Velocity dam has done an outstanding job again. Moderate in his frame, thick in his make up and good on his feet.

Slick is a homozygous polled and is very docile and easy to handle. He is out of one of my best Liberty cows. He should sire some outstanding calves, and they will all be polled.

A different pedigree here, hetero black and homo polled. An outcross sire to most current AI sires. Take a good look at his pedigree.

This is a very gentle black polled bull- lightly scurred. His EPDs indicate strong growth potential for his calves and good milk production for his heifer calves.
