# Carrousels

## PIÑA COLADA

### COW FAMILY

Without a doubt the most noted cow right now in the entire Limousin breed is *Carrousels Pina Colada*. She is a past national champion female that is owned with P Bar S Ranch as the famed donor. This \$80,000 valued donor has made quite the production record for her since her winning in the most prestigious show in all the land. Her embryo daughter sired by DHVO Trey, AUTO Peyton, was named the 2011 Missouri State Fair champion for Pinegar Limousin, Springfield Mo. Brown Land & Cattle Co., Diamond, MO showed the 2008 National Sale champion heifer which topped the sale at \$30,000 to Tubmill Creek Farms, New Florence, PA. This list goes on and on with the Pina cow family. It is a lineage that is tough to beat.

Selling as lot 1 in this sale is an embryo daughter by S A V Bismarck. P Bar S sold pick of the flush that was a full sib to this heifer for \$15,000 going to Magness Land and Cattle last fall. This heifer is moderate framed, heavy muscled, big ribbed, and extremely feminine fronted. Don't miss an opportunity to purchase some of the most sought after genetics in the cattle business.
