Bidding Process

All cattle will have a base price placed on them on Nov. 19th. Bids will be accepted at any time but no cattle will be sold prior to 3p.m. Nov. 20th. The 1st person to bid claims the animal at the base price and the bidding continues from there. Bid increments on all cattle must be at \$100 more than the last bid. After 3 p.m. bids close and only persons who have placed bids on that animal plus anyone that was previously outbid on another animal can purchase that animal. If you have submitted a bid by closing time, and you don't get that calf, you will have the opportunity to up your bid or bid on a different one. Once you have purchased an animal you have the option to opt out on other cattle you have bid on. However, no new bidders will be allowed on claimed lots after 3pm. Phone bids are welcome any time prior to the sale. Thank you for taking the time to view our offerings!
